We would like to take a post-
 for our own guidance at the
 approximate half-way point for
 this second pilot cycle of the
 Engineering Systems Analysis
 series. The reason for this
 timing is that looking back over
 a six-month interval may be
 more accurate than looking over
 the full 12 months of the series.
 Would you please check off the
 attached questionnaire some time
 in the next two weeks and route
 back through your Training
 Officer. If questions arise,
